

# 374Water set to join Russell 3000® Index, Another Milestone Achievement for Sustainable Innovation

**DURHAM, NC / ACCESSWIRE / June 23, 2023** / 374Water (NASDAQ:SCWO), a leader in sustainable technology and innovation, is pleased to announce it is set to join the broad-market Russell 3000® and Russell Microcap® Indexes at the conclusion of the 2023 Russell indexes annual reconstitution, effective after the US market opens on June 26, according to a preliminary list of additions posted June 16.

This significant milestone underscores the company's decade-long journey from its academic beginnings as a Duke University impact project to its current position as a trailblazer in the field of waste treatment and innovation.

The path to 374Water's inclusion in the Russell 3000® Index has been marked by notable accomplishments and strategic milestones. Through its Nasdaq listing last year, 374Water demonstrated its commitment to drive sustainable transformation in a strategic move that allowed the company to cater to a broader investor base.

Russell indexes are widely used by investment managers and institutional investors for index funds and as benchmarks for active investment strategies. Approximately \$12.1 trillion in assets are benchmarked against Russell's US indexes. Russell indexes are part of FTSE Russell, a leading global index provider. Joining this index aligns with the Company's vision to accelerate its growth, leveraging a growing capital markets commitment to sustainable technology and impact investing.

Kobe Nagar, 374Water CEO commented: "374Water's inclusion in the Russell Index is a testament to the company's growth trajectory and unwavering commitment to sustainable practices. We are honored to be recognized for our commitment to creating a world without waste. This milestone serves as a powerful catalyst, opening doors to strategic partnerships and serving to improve our visibility and liquidity, while we demonstrate our mission to revolutionize the industry with sustainable solutions."
